

Contributions towards a sustainable and resilient agri-food system

Details presented in this pre-announcement may be subject to change before the launch of the Call. The Call Announcement will be published in **May 2023** on:

<https://submission-greenerahub.eu>

Call Scope

Proposals **must** address one of the following four topics:

Topic 1: Enhance fertilizer efficiency and reduce fertilizer use

Topic 2: Increase European protein self-sufficiency

Topic 3: Mitigate GHG emissions in agricultural and food system

Topic 4: Sustainable energy use and production in agri-food systems

Proposed projects can include approaches for **organic** farming and/or food as well as **conventional** approaches.

Preliminary Timeline

Call Announcement	May 2023
Deadline pre-registration	July 2023
Deadline full proposal	Sept 2023
Result notification	Dec 2023

Who can apply?

Universities and other higher education institutions, public research institutions, private non-profit organisations, and private companies can apply, subject to the national/regional regulations and eligibility criteria detailed in the call announcement. Applying research consortia must include at least three eligible partners requesting funding from at least three different member countries who contribute funds to the Call. Funding of the participating research organisations will be provided by their respective national funding organisation according to their legal terms and conditions for project funding.

Funding Countries

A provisional list of partner countries is given below – the funding organisations' names and national regulations will be published with the Call Announcement.

Belgium	Burkina Faso
Cameroon	Denmark
Finland	Germany
Italy	Ireland
Latvia	Lithuania
Luxembourg	Norway
Spain	South Africa
United Kingdom	Uruguay
